GENERAL FAQ'S

Q12. What happens after the application is submitted?

- A12. Submitted applications will be reviewed within 20 business days of submission to ensure it is complete. If your application does not meet the eligibility requirements, you will be notified in writing.
 - Applications that are consistent with the as-of-right incentives as outlined in the by-law will be approved or denied by Administration within 20 business days of the completed application being received.
 - The approval of applications will consider the expertise and experience of developers.
 - The Municipality reserves, at its discretion, the right to approve or deny all applications.

Q13. What happens if the application is approved?

- **A13.** The Municipality administration will prepare and send a letter of confirmation of funding commitment and forward a copy to the Building Inspector.
 - Construction of the approved works may now commence. A building permit is to be issued within 6 months of incentive approval and be completed within 18 months of incentive approval (may apply for one 6-month extension).
 - Upon construction completion, "after" photos of the project and paid invoices will be submitted to the Municipality and staff will conduct a final site visit and inspection (as necessary) to ensure compliance with the Agreement.
 - The owner is to contact the Municipality in advance of any deviations from the approved design or Agreement. If the owner does not carry out its obligations under the Agreement, they shall pay to the Municipality the entire amount of benefits conveyed under the agreement, together with any applicable costs and interest.
- **Q14**. Where can I find out more information?
- A14. The by-law for this program can be accessed through the Development Incentive By-Law

General Administration Provisions

The provision of any financial grant/incentive is subject to the following general administration provisions:

- Owners of properties within the Municipality of Emerson-Franklin are eligible to apply for funding under the incentive programs. Application may be made on a "first come, first served basis" to the limit of the available funding, provided all eligible criteria and conditions are met. Where applicable, an agent may apply for funding with the written consent of the property owner.
- Property taxes must be and remain in good standing at the time of application and throughout the length of any incentive/grant commitment.
- All proposed development shall conform to the Zoning By-law and other planning requirements. There shall be no outstanding work orders issued by the Municipality against the property. In addition, all improvements shall be made pursuant to a building permit and constructed in accordance with the Manitoba Building Code where required.
- Any property that has a heritage designation must be in compliance with the Heritage Resources Act in order to be eligible.
- The Municipality may, at its discretion, extend or discontinue the program when and as it deems appropriate. Notwithstanding this, participants in the program may continue to receive approved incentives/grants after the closing of the program as determined through individual agreement with the Municipality and subject to available funding approved by the Municipality.
- The general administration of the program shall be the responsibility of the Planning and Buildings Department, in consultation with other departments as appropriate. Final decisions with respect to the applications and the allocation of funds (for as of right incentives) shall be made by Administration.
- Continuation of the Program requires funding either through the annual Capital Budget, or other levels of government and is subject to Municipality Council approval.
